# DISCIPLESHIP

## Mark 11:27 – 12:27

Consider who was questioning Jesus' authority. What does that tell us about the impact Jesus was having on the Temple activities?

According to Isaiah 5:1-7, who is the vineyard owner and what does the vineyard represent?

Why were Herodians present to ask Jesus about paying taxes?

What did the Sadducees not understand about the resurrection of the dead?

## Application

The vineyard was taken away from the vine-growers and given to others. Is your part of the vineyard ready for a visit from the owner?
