# DISCIPLESHIP

## Mark 11:1-25

What was the meaning of Jesus entering Jerusalem on a donkey according to Zechariah 9:9?

Many times we have seen Jesus tell people not to spread the word of who He was, This time people are shouting “Hosana” and laying their robes before Him. Why did Jesus want His identity publicly declared at this time?

What area of the temple did Jesus clear out and what was the original purpose for the area?

What happened to the fig tree?

## Application

Jesus tells Peter our prayers should be faithful and our adversaries should be forgiven. Have you forgiven all?
